AUTHENTIC KRATOM

Abdullah Mamun

2013 our journey began with a mission to redefine the kratom industry. Situated in San Fernando Valley, we aimed to revolutionize the market by offering exceptional blends that address various needs.

We aim to connect the world with Indonesia's finest kratom, set new standards, and push boundaries.

Our brand name, 'Authentic Kratom,' mirrors our commitment to genuine sourcing practices and open communication. With a decade of reputation-building, we prioritize unwavering quality in every product bearing our logo. With the trust of global customers, we meticulously obtain each product from its designated region, adhering strictly to this principle. If we can't source it, we won't offer it – a straightforward approach we stand by.

HISTORICAL FACTS

1930-Tarzana Chamber of Commerce | 1935- Reseda Chamber of Commerce | 1941-Woodland Hills Chamber of Commerce | 2007-Merge Woodland Hills~Tarzana Chamber of Commerce | 2013 has grown to become the West Valley~Warner Center Chamber of Commerce!

The name change came about after adding our neighbor, Reseda, to our Chamber of Commerce. Reseda has a wonderful and colorful history. We have been partnering for several years with various beautification projects, advocacy, youth programs and more with Reseda. The enthusiasm of the community is inspiring. With the passing of their former Chamber of Commerce, Executive Director, Ann Kinzle, they were left with no Chamber of Commerce as of March 2010. We are honored to be Reseda's Chamber of Commerce. Although Warner Center has no zip code, it has a rich history and a powerful impact on our local economy. The Warner Center deserves a strong cohesive Chamber of Commerce.

The Woodland Hills~Warner Center Neighborhood Council is their neighborhood council and we are their Chamber of Commerce. Warner Center is located in Woodland Hills. However, there is a small pocket which extends north to Vanowen and East to Desoto. The growth and development of this area will benefit our membership. The relationships that the new residents and businesses will seek can be found in our Chamber of Commerce membership base and our handy up-to-date directory of goods and services of local professionals.
