Since 1992, the Boys & Girls Club of the West Valley has been completely committed to helping local kids and teens. We are deeply thankful for our community members and leaders who consistently come together to generously support our neighborhood youth who need us most.

Every day after school, an average of 650 kids and teens, ages 6 to 17, count on our doors being open. They receive academic support, thrive in a happy, social space, and eagerly participate in enrichment programming. At the Boys & Girls Club of the West Valley, we provide a safe environment, clean facilities, caring adults, and an engaging program during the most critical hours of the day; after school and during school breaks.

Across the nation, Boys & Girls Clubs have made a strong impact on alumni:

- 74% say the Club kept them out of trouble.
- 66% say they became more committed to their education because of the Club.
- 87% of alumni say the Club was one of the best things available to kids in their community.

Our vision is to build our community's social and economic fabric by ensuring academic success and career development for every member that walks through our doors. We can achieve this by providing more impactful programs that appeal to our members, strengthening their academic performance, building character, encouraging healthy lifestyles, as well as focus on their social and emotional needs.
